## Description

2024 Viking Saga 14SR, Viking Saga 3K Series travel trailer 14SR highlights: Booth Dinette/Bed Combo Bar Top with Two Stools Wardrobe/Pantry Two Burner Cooktop Under 3,000 lbs. Tired of tent camping and sleeping on the ground? Well, this Viking Saga lightweight travel trailer can accommodate you nicely with a dry and comfortable place to stay while enjoying nature. Inside, you will find a booth dinette for plenty of space to sit and stretch your legs, or enjoy a meal. The booth dinette easily converts to queen bed size sleeping space at night. You might also enjoy your morning breakfast or coffee at the bar top with two stools. A 24" x 36" shower and toilet provide a convenience to your camping trips, no late nights running to the campground bathroom in the dark. And, the kitchen features a two burner cooktop and refrigerator so you can cook inside when you'd rather not deal with campfire smoke over an open fire. There is also plenty of storage for your things between the overhead cabinets and shelves, wardrobe/pantry near the door, and within exterior storage as well. The budget-friendly Viking Saga travel trailers are for the newbie or seasoned RV user. Each model is constructed with a BAL NXG frame with Huck bolt assembly and front diamond plating so that your trailer will last. Towing and setup is made hassle-free with self-adjusting electric brakes, Easy Lube axles, and two rear stabilizing jacks. The Saga travel trailers include seamless countertops, a two burner cooktop, sink cover, and a bath skylight for adding natural lighting. You will also find a jumbo pass-through storage, USB charging ports to keep your electronics charged, plus both back up camera and solar prep. 3K SERIES CAMPING MADE EASY ESSENTIAL; DISCOUNT; SAGA TOWABLE ESSENTIALS PKG DISC
