Description

2024 Wayfinder RV Go Play 26BHS, Dollar-for-dollar, Go>Play is the value-champ of travel trailers. Compare top camper brands like Wildwood, Coleman, Salem, and Jayco to see why its unbeatable. Call/text 1(844)646-7529 to confirm pricing and availability. Watch the RV NERD walk through! The Go Play Interior The Nordic Shore interior aesthetic seamlessly blends modern and contemporary elements. Leveraging lighter colors and durable materials, Go Play delivers a cozy interior without compromising structural integrity. Combining residential construction practices such as 16" on-center structural framing, cut & glued batten insulation, 5/8" thick tongue & groove floor decking with pocket-screwed, mortise & tenon cabinet construction with 75 lb. ball bearing drawer guides and hardwood cabinet doors to ensure durability and elegance. Pressed membrane kitchen countertops, a three-burner cooktop with a high output front burner, a double rack oven and microwave provide a sleek and easy-to-clean space for food prep while the range hood effectively removes smoke and odors from the kitchen. A residential high-rise faucet, single basin under-mount sink, 11cu/ft dual swing door 12V refrigerator, and residential vinyl flooring, with the flush floor slide, ensures practicality, making clean-up a breeze. With an 81" ceiling height, a true 96" wide body, adjustable A/C vents, pleated blackout night shades, and LED internal lighting, the main living area is created with comfort in mind. The 13,500 BTU A/C and 25,000 BTU furnace provide robust flexibility for cozy camping through extended season camping, seldom found in the competitive set. The bathroom features a foot flush toilet, a powered vent, and a full shower surround that gives plenty of room. The 6-gal gas/electric water heater provides hot water for the whole gang. 600lb rated double bunks and a collapsible booth dinette provide ample space for co-adventurers, while the front full-bed, nearby wardrobes, heavy duty struts for under bed storage, and barn sliding doors offers privacy for chaperones. A dome style digital TV antenna, and AM/FM/Bluetooth® radio with indoor/outdoor zoned speakers can keep you and loved ones entertained, making your Go>Play a perfect home away from home. Go Play Exterior A sleek black front diamond plate adds a touch of style and ensures durability while on the road. Dual axle models are equipped with an exterior docking center, making utility connection and camp set up a breeze. Experience safer towing with an elongated A-frame that provides increased stability and turning radius. For added security, the Go Play comes equipped with rear camera prep, self-adjusting electric brakes, and E-Z Lube® axles. The galvanized steel wheel wells help guard your coach from possible blowouts and nitrogen-filled rad
