Description

New 2024 Forest River RV Wildwood 28VIEW Forest River Wildwood View travel trailer 28VIEW highlights: Island with Four Bar Stools Hidden Pantry Storage Oversized Refrigerator Walk-In Shower Versa-Tilt Custom King Bed Sectional Sofa

The perfect couple's coach with a view! This Wildwood View features a 7' kitchen island and five bar stools for dining and prep space. The island also houses a double kitchen sink for easy clean-up. Thanks to the island, you will enjoy 15 linear feet of countertop space throughout. The view will be of your choosing thanks to 95.5 square feet of windows that will easily bring the outdoors inside. A sectional sofa across the back of the unit provides ample seating to relax and enjoy a good book or the entertainment center. Behind the entertainment center, you will find hidden storage space with shelves so everything can be tucked out of sight, and an oversized refrigerator will provide enough space for your perishables while you are on vacation as well. A full bath is conveniently located near the main entry featuring StepAbove entry steps leading inside. The bath provides a walk-in shower, vanity with sink, toilet, and linen storage. In the private front bedroom, a Versa-Tilt custom king bed will allow you a relaxing and comfortable night's rest, and once again, a great view out the dual opposing windows. On the outside, a 23' awning offers additional living space protected from the elements, and a spacious pass-through storage compartment will allow you to stow away your camp chairs and outdoor equipment and games easily for transport. Enjoy years and years of memories with any one of these Forest River Wildwood travel trailers! They are built with a Dicor PVC roof membrane, a powder coated I-beam frame, and an aerodynamic front radius profile for an easier tow. The triple seal slide out system prevents water from seeping inside and keeps it outside where it belongs. The Best In Class Value Package includes upgraded designer furniture, seamless countertops with no T-mold, and two zone residential soundbars with FM, Bluetooth, HDMI and USB. You will also appreciate the heated and enclosed Accessi-Belly with removable underbelly panels, the power tongue jack with an LED light, and the designated CPAP storage. Some new upgraded features include: an upgraded slide-out fascia, a Versa-Tilt bed, an upgraded shower head, and a 60K BTU tankless water heater, and so much more!
