This Wildwood might just be the RV you have been looking for. Just imagine hiking, biking and playing horse shoes at your favorite campground to return to plenty of space for everything thanks to the triple slides, one in each room. The kiddos will surely head to the rear private bunkhouse to claim a bunk bed while you take a nap on the custom king bed in the front bedroom. You might even put a load of clothes in the washer and dryer if you chose to add that option. You can then make dinner on the outside kitchen or in the full kitchen inside. Everyone can play games or relax on the Versa Lounge before heading outside to see the stars. Check it out! Enjoy years and years of memories with any one of these Forest River Wildwood travel trailers! You will also appreciate the heated and enclosed Accessi-Belly with removable underbelly panels, the power tongue jack with an LED light, and the designated CPAP storage.
