## Description

2024 Winnebago Industries Towables Access 25ML, Winnebago Industries Towables Access travel trailer 25ML highlights: Rear Corner Bath Large Slide Front Private Bedroom Theater Seating Enjoy your Access in the great outdoors! This unit features a large slide for added walking around space inside. There is sleeping for two to six depending on size and furniture choices starting with the front private bedroom featuring a space saving sliding door. You can also sleep two on the optional tri-fold sofa within the slide, and the dinette opposite can be converted for one or two little ones. You will find ample storage throughout in overhead storage cabinets, under bed storage and wardrobes, plus more. The kitchen appliances are also within the large slide, plus you will find a nice size sink in the rear roadside corner with storage both above and below. A convenient rear corner bathroom allows you to skip the use of the camp facilities and enjoy cleaning up in the privacy of your own unit. Here you will find a 30" x 36" shower, porcelain toilet and a vanity with sink and corner medicine cabinet. You will also appreciate the exterior storage door within the slide and there is also convenient pass-through storage for your larger camp items to be neatly tucked away when not in use. With any Winnebago Access travel trailer you will find thoughtful, clean, and contemporary designs filled with premium features that all have come to expect on any Winnebago towable. The powered stabilizer jacks make setting up camp easy with just the touch of a single button. You will appreciate the stylish exterior front profile and thicker sidewall metal for greater aerodynamics plus strength and durability. With a fully enclosed underbelly you can easily extend your camping season into the colder months, and the 12 volt tank pad heaters will keep you from having frozen pipes. On the inside, a porcelain toilet, larger skylights for more natural lighting, abundant storage, and spacious living areas making every camping trip more enjoyable. And, the 200 watt solar power reduces the need for shore power which makes it easy to go off-grid. Make your choice today and Access your next adventure! STOCK IMAGES SHOWN COLORS AND SPECS MAY VARY
