Description

2023 Winnebago Hike 100 H1316FB, Winnebago Industries Towables Hike 100 travel trailer H1316FB highlights: East/West Queen Bed Loft Bunk Bed Wet Bath Accessory Receiver/Hitch Outside Kitchen ? Explorers will love this trailer with the comfortable accommodations inside and rugged amenities outside. You can sleep on the east/west queen bed and a friend or family member can sleep on the? loft bunk bed above. There is a wardrobe to store your clothing that is next to the wet bath which provides privacy to change and get cleaned up in after hiking or sitting by the campfire. The? portable induction cooktop ?can be used inside or take it to the outside kitchen counter space to whip up a meal while enjoying your views, and there is a portable Truma cooler waiting for you to grab a beverage. Back inside, there is an undermount single bowl sink with cover, a convection ? microwave , and a 3.1 AC/DC compressor refrigerator. ? The Hike 100 travel trailers by Winnebago Industries Towables are the outdoor enthusiasts dream RV! It's light enough to be towed by smaller tow vehicles, but still includes plenty of space for your gear. Each model is constructed with one-piece thermo-foil insulation, an NXG engineered frame , a fully enclosed underbelly and tanks, plus a fully walkable roof. You will love the 200-watt solar panel with side-mount solar prep for your off-grid needs, and the patented powder coated exterior exoskeleton rack will be perfect for kayaks, hiking gear, or paddleboards. There are also thick core pass-through storage doors outside, along with a power awning with LED lights, plus power stabilizer jacks and a power tongue jack to be set up in no-time! The interior features contemporary cabinetry , USB ports to charge your electronics, additional gear storage, plus a portable JBL speaker to listen to your favorite tunes at the campsite.? ?
