Description

Not actual photos of stock #61452. This exceptional lightweight truck camper is equipped with an 18-gallon freshwater tank, a 12-gallon grey tank, and a 5-gallon cassette toilet. The suitcase-style cassette toilet makes disposing of waste easy. It's also a convenient option when nature calls in the middle of the night, so you won't have to walk to a shared bathhouse in the dark. The cassette toilet hides away below a bench to become a sitting area when not in use as well. BLACK ACCENTCIRRUS CONVENIENCE PKG7' MOTORIZED SIDE AWNING9200 BTU ROOF ACRVIA CERTIFICATIONMICROWAVE
