Description

Hello adventurous people! This is a rare opportunity at your fingertips with no wait time to build, just purchase and drive. You are looking at a Bengal Tiger sitting on a 2018 Ford F450 chassis 4x4 lariat crew cab 6.7L power stroke Diesel with 44,000 miles. This is a pre-owned unit but is in great shape everything works. This is an excellent setup for anyone serious about real adventures, enjoying the beautiful outdoors, high towing/hauling capacity, safety, and much more. This unit is equipped with many useful options such as roof-mounted solar panels for the charging system along with deep cycle batteries, storage is located everywhere even in the front and rear bumpers. Also equipped on this unit is an outdoor shower Inverter power 120v, electric and gas furnace to keep you warm during artic weather. The generator has less than 2 hours of operation time. The bathroom is a wet style equipped with a Swivel RV toilet. There is a Brand new microwave that has never been used. The AC unit has less than 3hrs of operation time. Mounted in the camper is a WeBoost cell phone signal booster. The TV is mounted on an articulating swivel mount. This truck has been well maintained New batteries installed in late 2022 The Onan generator has been serviced by the dealer. In late 2022 new OEM front brake calipers and pads were installed by Ford. This Tiger is ready to have fun back in the wild!
