Description

2023 Soaring Eagle ADLAR 6.5, Soaring Eagle ADLAR truck camper 6.5 highlights: Large Dinette Quality Laminate Cabinetry Storage Smooth Fiberglass Exterior Pack your bags and load up this truck camper onto your truck! The full size dinette can comfortably sit four people and also convert into a 48" x 80" bed for a comfortable place to lay your head at night. Underneath the dinette is storage space for extra blankets or games and inside the floor is a battery box. You also have dual storage cabinets with countertop space that can be used any way you need. A few options you might want to add is an optional portable Blackstone, a roof mounted A/C to keep you cool on the hottest days, and a 110V package with interior and exterior outlets! Each one of these Soaring Eagle ADLAR truck campers take the concept of entry level campers and adds real functionality to it! Their entire construction consists of an all aluminum tubular construction for better strength, lighter weight, and indifference to water. The smooth fiberglass exterior and rugged black diamond pate aluminum skin around the lower perimeter will turn heads in the highway. There are LED exterior marker/clearance lights and LED exterior security light over the entrance door for you to see clearly at night. Come find your favorite one today!
