Description

2024 Soaring Eagle OV-X Model 5.5, Soaring Eagle OV-X truck topper camper Model 5.5 highlights: Under-Bed Storage LED Lights Durable All-Aluminum Construction Exterior Slider Windows Solar Prep on Roof 12V Port/Dual USB Night Stand w/Storage MaxxAir Fan 3 Speed Reversible w/Remote and Rain Sensor Removable Jack Brackets Roof Rack This truck topper camper will be the perfect companion on your many adventures. After you have been driving all day, you can find a campground to rest at for the night. The strut-assisted roof top features a water-resistant tent with integrated windows and screens and will provide more interior space to relax on the 78" x 74" bed. There is also convenient under-bed storage here for your belongings and camp gear. In the morning you can use the camp's shower to freshen up before using the optional portable Blackstone griddle to make breakfast, then head out for the day to hike, fish, or hunt! The OV-X truck topper camper by Soaring Eagle is perfect for those who want simple, but comfortable camping options. The tubular aluminum construction includes fully insulated floor, sidewalls, endwalls and roof, and the quality exterior windows on each sidewall will provide ventilation while you're sleeping for the night. There is also a rugged, durable composite interior wall board and LED interior light rings integrated into the vents to provide light in the evenings. You may want to add one or more of the available options to further customize your camper, such as a MaxxAir Fan, a 200W or 400W solar panel roof system, rear flood lights, and more!
